Report on Data Analysis and Report Preparation

We, Department of Statistics , last Wednesday(08/11/2023) we have conducted an activity regarding the Data Analysis and Report Preparation. In this activity 30 students have been participated. We have made a teams for this activity, we made total 10 teams, in each team there are 3 members (2 BSc students and 1 MSC student). Initially, we have given certain instructions in the seminar hall(G11) then to make practical attempt we make them to use the computer lab. We have given a question to each team. In this activity selected the best 3 performance of the teams , we will going to award them with certification and surprising prizes.

Thank you for permitting permission for this activity to made successful.
